

Midterm Review

HCI-IMD3004

February 28, 2023

Overview

The Exam will have the following structure:

1. Multiple choice (15 question) 1 points
2. Short answer (4 question) 2 points
3. Long (2 question) 5 points

1 Topics

Here are some of the most common LaTeX commands:

- Interactivity
 - reactive, reactive, conversational
- Interactivity
 - reactive, reactive, conversational
- Interactivity
 - reactive, reactive, conversational
- Interactivity
 - reactive, reactive, conversational

2 Conclusion

This is just a basic overview of LaTeX and its features. There is much more to learn about LaTeX and its capabilities, but this should give you a good starting point.
